BISHOP'S MESSAGE

OFFICE OF THE BISHOP

My dear friends,

As you begin a new school year, I ask you to stay close to Jesus who loves you so much and is your best friend. Stay close to Him, talk to Him, and act like Him, so that you will be able to do great things at your home, parish and school. Your Catholic school community will help you to do this each day. May God bless you and please pray for me as I will pray for each one of you.

Yours sincerely in Christ,

A handwritten signature in dark ink, reading '+ Gerard Bergie'. The signature is written in a cursive style.

Most Reverend Gerard Bergie, D.D.
Bishop of St. Catharines

“I WANTED TO TELL YOU THIS, TO TELL YOU:
COURAGE, GO FORWARD, MAKE NOISE
WHERE THERE IS YOUTH, THERE SHOULD BE NOISE.
THEN, WE’LL ADJUST THINGS. BUT THE
DREAMS OF A YOUNG PERSON ALWAYS MAKE NOISE
GO FORWARD! IN LIFE THERE WILL ALWAYS BE
PEOPLE WITH PROPOSALS TO CURB
TO BLOCK YOUR WAY. PLEASE, **GO AGAINST THE CURRENT**
BE COURAGEOUS, COURAGEOUS:
GO AGAINST THE CURRENT.”
-POPE FRANCIS

NIAGARA CATHOLIC DISTRICT SCHOOL BOARD CODE OF CONDUCT

In keeping with the Niagara Catholic Mission Statement and Vision, we strive to provide our students with the best Catholic education possible. We teach more than the Ministry curriculum expectations; we teach about love, life, building community, and most importantly, about how our FAITH guides us through our most difficult times. We come together to accept one another for who we are, to love without prejudice, to respect without want and more importantly, to care for one another like a family.

PROVINCIAL CODE OF CONDUCT

GUIDING PRINCIPLES

In keeping with the Safe Schools Act and the Provincial Code of Conduct, schools within the Niagara Catholic District School Board promote an environment of respect, responsibility and safety. These values along with justice, integrity and accountability are consistent with the Gospel values. Catholic education has a central vision of respect for oneself, others and the traditions of our Catholic faith. The Niagara Catholic District School Board takes pride in ensuring that student learning and teaching take place in a non-threatening environment where everyone learns in an atmosphere of mutual respect.

A school should be a place that promotes responsibility, respect, civility, and academic excellence in a safe learning and teaching environment. A positive school climate exists when all members of the school community feel safe, comfortable, and accepted. All students, parents, teachers, and staff members have the right to be safe, and to feel safe, in their school community. With this right comes the responsibility to contribute to a positive school climate.

The Provincial Code of Conduct sets clear provincial standards of behaviour. These standards of behaviour apply not only to students, but also to all individuals involved in the publicly funded school system – parents, volunteers, teachers, and other staff members – whether they are on school property, on school buses, at school-related events or activities, or in other circumstances that could have an impact on the school climate. Responsible citizenship involves appropriate participation in the civic life of the school community. Active and engaged citizens are aware of their rights, but more importantly, they accept responsibility for protecting their rights and the rights of others.

NIAGARA CATHOLIC DISTRICT SCHOOL BOARD CODE OF CONDUCT

ANTIRACISM, SEXUAL, AND ETHNOCULTURAL EQUITY

The Niagara Catholic District School Board and the its Catholic High Schools believe that all persons have been created in the image and likeness of God and are to be treated with dignity, respect and fairness in an environment which recognizes and celebrates the racial, religious and cultural plurality of Canadian society. The Board's policy fosters the teaching of Catholic values and promotes ethno cultural equity and equality as well as the elimination of racism.

The policy of the government of Ontario is that there be equal education opportunity in this province. Thus sex-role stereotyping of courses and programs does not exist within Niagara Catholic District School Board Secondary Schools and the philosophy of gender equity permeates all aspects of the school's curriculum.

POSITIVE SCHOOL CLIMATE AND BULLYING

A positive school climate exists when all members of the school community feel safe, comfortable, and accepted. To help achieve a positive school environment in their schools, the Niagara Catholic District School Board and its schools will actively promote and support positive behaviours that reflect their Catholic Gospel Values. They should also endeavour to ensure that parents and members of the broader community are involved in the school community.

SAFE SCHOOL POLICY #302.6

The Niagara Catholic Safe School Policy and Administrative Guidelines will create schools that are safe, inclusive and accepting of all pupils, encourage a positive school climate and prevent inappropriate behaviour, including but not limited to

- bullying, sexual assault, gender-based violence and incidents based on homophobia
- address inappropriate pupil behaviour and promote early intervention
- provide support to pupils who are impacted by inappropriate behaviour of other pupils
- establish disciplinary approaches that promote positive behaviour and use measures that include appropriate consequences and supports for pupils to address inappropriate behaviour
- provide pupils with a safe learning environment

BULLYING PREVENTION AND BULLYING INTERVENTION POLICY #302.6.8

- Bullying is typically a form of repeated, persistent, aggressive behaviour that is directed at an individual and is intended to cause (or should be known to cause) fear, distress and /or harm to another person's body, feelings, self-esteem, or reputation. Bullying occurs in a context where there is real or perceived power imbalance.
- Bullying is predominantly a learned behaviour, which must be addressed by teaching students to build positive relationships, and to develop effective communication strategies. Educators will endeavour to create opportunities to model and to encourage behaviours and interactions that help create a classroom and positive school climate.
- Bullying will not be accepted on school property, at school-related activities, on school buses, or in any other circumstances where engaging in bullying will have a negative impact on the school climate.
- Report the events to somebody in a position of authority at the SCHOOL. Expect that action will be taken. The source of the information will remain confidential. All reports will be documented using the *Safe and Accepting Schools Incident Reporting Form*.

“In keeping with the teachings of Christ, all Niagara Catholic District School Board schools will strive to create a safe, caring and supportive school environment, free of bullying, for all members of the school community.”

POSITIVE SCHOOL CLIMATE AND BULLYING

BULLYING MAY INCLUDE BUT IS NOT LIMITED TO:

Verbal	Physical
Name-Calling/Put Downs	Hitting
Insults	Kicking
Racist Comments	Spitting
Harassment	Pushing
Sexist Comments	Inappropriate Gestures
Teasing/Taunting	Tripping
Threatening /Extortion	Stealing
Social/Emotional	Technological
Relational Bullying	Cyber Bullying
Manipulating Friendships	Internet Misuse
Gossip	Text Messages
Exclusion	Digital Photos
Intimidation	Twitter
Written Notes	Websites
Making False Statements	Facebook

In recognition of the importance of addressing bullying, which can have a significant impact on student safety, learning, and the school climate, bullying has been added to the list of infractions for which suspension must be considered.

SAFE SCHOOL TEAM

A Safe School Team responsible for school safety that is composed of at least one student (where appropriate), parent, teacher, support staff member, a community partner, and the principal. The team has a staff chair.

THREAT AND RISK ASSESSMENT

The general purpose of a student threat assessment team in school jurisdictions is to assist in creating and maintaining an environment where students, staff, parents and others feel safe. The primary purpose of a multidisciplinary threat assessment team is to identify indicators that suggest a student may be moving on a pathway of justification to use violence and to intervene in such a way to decrease the risk, prevent injury to self or others, and assist the student in receiving the help he or she needs to address the issues contributing to the high-risk student behaviour.

POSITIVE SCHOOL CLIMATE AND BULLYING

All threatening and high-risk behaviours must be taken seriously and students engaging in the behaviours must be assessed accordingly. Any student engaging in behaviours that fall into the categories described below must be brought to the attention of the Principal / Vice Principal of the school.

WHAT ARE THE RESPONSIBILITIES OF THOSE STUDENTS, STAFF, AND PARENTS IN DEALING WITH THE ISSUE?

- Ensure the school environment is one of respect, dignity, and trust, consistent with the Gospel Values
- Show care and concern for others by refusing to bully others or to be a bystander to acts of bullying
- Accept responsibility by immediately reporting acts of bullying to somebody in a position of authority at the school

WHAT EFFECTS DO BULLYING/HARASSMENT CAUSE?

Individuals may develop long term, serious problems as a result of bullying or victimization. Some of these long-term effects involve a loss of self-confidence and self-esteem, and greater rates of depression. It is critical that appropriate support and intervention strategies be provided to help bullies, victims, and all students build positive relationships with their peers.

WHAT EFFECTS DO CYBERBULLYING CAUSE?

Cyberbullying can be much more severe in its effects than offline bullying because the victims feel they have no escape. Also because of the wide scope of the Web, there can be many more witnesses to the bullying. Bullies may be more likely to engage in bullying behaviour online because they can't see or hear the effects of their actions, and because it is possible to be anonymous online.

HOW CAN WE GET BULLYING/HARASSMENT TO STOP?

Caring bystanders are the key to stopping bullying! We must look out for one another. We are called to action when we are faced with social injustice. Bullying is an example of a behaviour which is demeaning to other students. If you witness this behaviour the most helpful thing that you can do is to intervene and get the behaviour to stop.

If you are unsuccessful, or are unwilling to do this, you should report the behaviour to an appropriate adult at school (e.g. a teacher, counselor, chaplain, or administrator). Sources of information always remain confidential and the information will be acted on.

The person who is being bullied needs your help in getting the behaviour to stop. The bully also needs help because he/she needs to learn appropriate behaviour and that bullying is unacceptable. Almost 60% of bullies who physically bully other students will become involved in criminal activity.

POSITIVE SCHOOL CLIMATE AND BULLYING

WHAT SHOULD I DO IF I AM BULLIED?

- Report it to a caring adult
- Be polite but firm in response to bullying - indicate that they need to stop the offensive behaviour
- Remain calm and leave the situation with your feelings intact
- Stick with friends, or others, as usually bullies pick on somebody who is alone

I KNOW THAT A FRIEND IS BEING BULLIED. WHAT SHOULD I DO?

Report it to an adult at school who can help to get somebody out of trouble and to protect somebody's safety. Reporting is standing up for your right and the rights of others, to be safe in school! The code of silence that prevents students from reporting bullying is one of the major obstacles in dealing with the problem.

WHAT WILL HAPPEN TO THE BULLY IF IT IS REPORTED?

The benefit of bringing the problems out in the open is that the bully is no longer in control. When teachers, and other school officials, are aware of bullying problems, they can find ways to help the bully change his/her behaviour.

Every situation will be dealt with on an individual basis, as every case is different. The bottom-line is that the bullying stops immediately and that people feel safe within the school. Some strategies that may be used to stop bullying will be counseling, parental contact, peer mediation, detentions, removal of privileges, suspension or police contact.

HOW SERIOUSLY ARE THREATS TAKEN?

All threats and attempts to intimidate others will be taken seriously and investigated. Appropriate steps will be taken to ensure that the behaviour stops and students feel safe while here at school. Administration needs to be made aware of any threats so that the threats can be investigated.

SURVEILLANCE CAMERAS

For the protection of students and staff, Niagara Catholic District School Board Secondary Schools have surveillance cameras that monitor the main school building and sections of the school grounds on a 24 hour basis.

I SUSPECT THEFT / VANDALISM / HARASSMENT / BULLYING / ETC ...?

WHAT DO I DO IF ...

I RECEIVE AN OFFICE DETENTION?

Detentions take precedence over any co-curricular activity. Students who miss a detention will receive two detentions. If they miss any further detentions, a suspension will occur for persistent opposition to authority.

I FIND A COURSE (OR COURSES) TOO DIFFICULT/ EASY?

First talk to your subject teacher and your parents. Then make an appointment to see a Guidance Counselor in Student Services. You must have 24 credits before you may have a Study Period.

I NEED HOMEWORK BECAUSE I WILL BE AWAY FROM SCHOOL?

Homework requests may be made at the main or attendance office for student absences greater than three days. Students are responsible for getting homework from another student in their classes when the absence will be three days or less.

MY PARENTS HAVE A CONCERN?

Parents are to address classroom concerns directly to the classroom teacher prior to contacting administration. Anonymous complaints/concerns or unsigned letters will not be entertained.

NO STUDENT EVER ATTAINS VERY EMINENT SUCCESS BY SIMPLY DOING WHAT IS REQUIRED OF HIM: IT IS THE AMOUNT AND EXCELLENCE OF WHAT IS OVER AND ABOVE THE REQUIRED, THAT DETERMINES THE GREATNESS OF ULTIMATE DISTINCTION.

- CHARLES KENDALL ADAMS

RELIGION AND CHRISTIAN COMMUNITY SERVICE

CHAPLAINCY

The Chaplain is available to support and guide all members of the school community on their faith journey. In order to do this the Chaplain provides the following services:

- Leader of Chaplaincy Team
- Opportunities for Prayer, Sacraments and Celebrations of the Eucharist
- Pastoral Counselling
- Conflict Mediation

By calling forth the talents and gifts of students and staff, the Chaplain encourages a strong sense of Christian community in our school. Fostering both a sense of caring and of social justice, the Chaplain shares in what makes our school a special experience for all who are a part of the Catholic High School. Students are welcome to drop by the Chaplain's office at any time.

Under the leadership of our Chaplain, the goal is to enhance the spiritual life of our school through such activities as Liturgies, Prayer Services, Social Justice, Retreats, peer support and special projects.

CHRISTIAN COMMUNITY SERVICE POLICY #400.3

Christian Community Service is a service one gives to the community. It is service spent on community projects, which could be of a cultural, humanitarian, athletic or fund-raising nature. Students will be expected to select an activity that meets the criteria as described in the Niagara Catholic District School Board Information Brochure and the Guiding Principles for Christian Community Service. Community involvement activity hours, mandated by the Ministry of Education as part of the requirements for an Ontario Secondary School Diploma (OSSD), may not necessarily follow the Guiding Principles of Christian Community Service. Although valid and important experiences, these activities will not be recognized for Christian Community Service within the Religious Education class, although the hours still may count toward the 40 volunteer hours needed for graduation.

The Christian Community Service Activities Form must be submitted to the school by the required date as communicated by the school Religious Education Department staff, in conjunction with the Student Services Department. Religious Education Department staff will verify that the identified service activity meets the criteria of Christian Community Service, approve the Completion of Christian Community Services Activities Form, and forward the forms to Student Services to input the completed hours into the student's Maplewood profile.

If a student enrolled in a Niagara Catholic secondary school is interested in completing his/her Christian Community Service over the summer, or in a semester in which he/she does not take a Religious Education course, the student must complete a Notification of Planned Christian Community Service Activities form and submit it to the Program Chair of Religious Education prior to the beginning of the summer holidays or the semester the student is enrolled in the Religious Education course for pre-approval.

There are opportunities within our own school (pilgrimage, parent nights, social service activities) and the broader Community (Project Share, Parish's, Service Clubs) are often seeking students to assist with fundraisers and special events throughout the year.

Students may pick up Community Service forms on which to record their hours from the main office, their religion teacher or from the Chaplain. Grads must have their hours completed no later than the end of May.

RELIGION AND CHRISTIAN COMMUNITY SERVICE

MASSES

School masses and liturgies are compulsory parts of the school program. Students must attend all assemblies, school masses and liturgies. Students who skip mass and liturgies will be suspended from school. All students are required to select and successfully complete a religious education credit course for each year of enrolment and participate in Religious celebrations and activities in order to participate in school graduation ceremonies and receive the Catholic High School Diploma.

RELIGIOUS ACCOMMODATION POLICY #100.10.1

The Niagara Catholic District School Board is committed to the values of freedom of religion and freedom from discriminatory or harassing behaviours based on religion and will take all reasonable steps to provide religious accommodations within the legal rights afforded to the Catholic school system. Such accommodations will be provided to staff, students and their families. All accommodation requests will be taken seriously. No person will be penalized for making an accommodation request.

For many students and staff of the Board, there are a number of areas where the practice of their religion will result in a request for accommodation on the part of the school and/or the Board. These areas include, but are not limited to the following:

- School opening and closing exercises
- Leave of Absence for Religious Holy Days
- Prayer
- Dietary requirements
- Fasting
- Religious dress
- Modesty requirements in physical education
- Participation in daily activities and curriculum

RELIGIOUS STUDIES AND RETREATS

All students must participate in scheduled liturgies, prayer services, and retreats and successfully complete courses in Religious Studies each year. Ten hours of Christian Community Service and a reflection paper are part of each Religious Study course. The Christian Community Service hours will satisfy the Ministry's graduation expectation for community service requirement. Students must successfully complete their Christian Community Service and reflection paper in each year of study in order to participate in the school's graduation ceremony and prom.

Students of each grade level are required to participate on a retreat with his/her class. For specific conflicts, the Chaplain may allow the student to attend a retreat with another class. Only the Principal can excuse a student from attending a retreat.

ASSESSMENT, EVALUATION & ACADEMIC INTEGRITY

ACADEMIC ACHIEVEMENT

Students in grades 9, 10, and 11 will take 8 credits, 4 credits per semester. Students in grade 12 will take a minimum of 6 credits. A student will have earned 24 credits before a study period becomes part of his/her timetable. Students are expected to work to their potential in all classes and complete all tasks as assigned.

ACADEMIC INTEGRITY

Students must understand that the tests/exams they complete and the assignments they submit for evaluation must be their own work and that cheating and plagiarism will not be condoned.

ASSESSMENT, EVALUATION, REPORTING, AND HOMEWORK POLICY #301.10

To ensure student success in assessment, evaluation, and reporting, practices will be rooted in the Ontario Catholic School Graduate Expectations so that all students can become self-directed, responsible, lifelong learners. The board promotes a family-friendly homework approach to support the achievement of all students.

The Niagara Catholic District School Board upholds the value of academic integrity for all members of its educational community. Academic integrity is a commitment to honesty, trust, and fairness. Assessment, evaluation and reporting in all Catholic schools in the Niagara Catholic Board will be based on the current Growing Success Document.

ACCORDING TO THE GROWING SUCCESS DOCUMENT

“To ensure equity for all students, assignments for evaluation and tests or exams are to be completed, whenever possible, under the supervision of a teacher. Assignments for evaluation must not include ongoing homework that students do in order to consolidate their knowledge and skills or to prepare for the next class.” (*Ministry of Education, 2010, p. 39*)

DEFINITION OF AN ASSIGNMENT

An assignment for evaluation is considered to be any academic piece that is submitted in any form for assessment and evaluation. “Student products may be in the form of tests or exams and/or assignments for evaluation.” (*Ministry of Education, 2010, p. 39*)

PREVENTION OF CHEATING AND PLAGIARISM

In an attempt to prevent instances of cheating and plagiarism, and to develop students’ research and literacy skills, it is expected that school staff will develop strategies to eliminate the incidence of cheating and plagiarism and integrate these strategies into instruction in an atmosphere of trust and support.

Cheating is the use, the attempted use, or the giving of unauthorized assistance, material, or study aids in any academic work. Examples of cheating include, but are not limited to: using a cheat sheet, altering a graded assessment, knowingly allowing another student to use one’s test responses, and other forms as determined by the classroom teacher.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

The Ministry of Education defines Plagiarism as: "The use or close imitation of the language and thoughts of another without attribution, in order to represent them as one's own original work." (*Ministry of Education, 2010, p. 151*)

EXAMPLES OF CHEATING AND PLAGIARISM

- a student does not cite work that has been summarized, paraphrased, or directly quoted in whole or in part
- a student that copies and pastes information from an electronic source (e.g. the internet) without quotations and without citing the source(s)
- a student submits acquired/purchased essays, and/or other works as their own
- a student copying from another student(s)
- a student making information available to other student(s) knowing that this is to be submitted as the borrower's own work
- a student in possession of unauthorized material during an evaluation such as assignments, tests, examinations, performance task, etc.
- a student resubmitting one's own work that was previously evaluated

CONSEQUENCES FOR CHEATING AND PLAGIARISM

When issuing consequences for Cheating/Plagiarism, the Ministry of Education makes the following statement that teachers and or school administrators are asked to consider:

This policy reflects a continuum of behavioural and academic responses and consequences, based on at least the following four factors

1. the individual circumstances of the student
 2. the grade level of the student
 3. the maturity of the student
 4. the number and frequency of incidents
- (*Ministry of Education, 2010, p. 43*)

REPORTING OF CHEATING AND PLAGIARISM

All incidents of plagiarism/cheating must be reported to the school administration and parent(s)/guardian(s) by the classroom teacher and will be noted officially by the teacher/principal in the Student Management System (i.e. Maplewood). These consequences do not apply to examinations. Students, who continue to plagiarize, will receive additional consequences as determined by the school's administration such as, but not limited to: loss of participation in co-curricular activities, detentions, suspensions and putting graduation at risk.

Schools will employ a variety of methods in order to identify instances of cheating and plagiarism. These methods may include, but are not limited to:

- teacher monitoring based on professional judgment and knowledge of individual student's work, writing style etc.
- conducting internet searches to identify possible sources of student work
- collaboration between teachers, library technicians, Principals and Vice-Principals in tracing questionable information
- the use of third party plagiarism tracking software (if available)

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

UNINTENTIONAL CHEATING OR PLAGIARIZING	INTENTIONAL CHEATING AND PLAGIARIZING
<p>Unintentional Cheating or Plagiarizing</p> <ul style="list-style-type: none"> • If in the professional judgement of the teacher, in conjunction with the Principal and/or Vice-Principal if it is found that the student unintentionally cheated or plagiarized, the student will receive the mark of "0" for the cheated/plagiarized work submitted. • The student is expected to rewrite the cheated/plagiarized assignment so as to determine the student's achievement of the overall expectations. For the rewrite, the student will conference with the classroom teacher, review the assignment, and receive a new topic that reflects expectations of the original assignment. Once the rewritten assignment is evaluated, the new mark will replace the "0" assigned to the plagiarized/cheated assignment. If the student decides not to rewrite the assignment, the assigned mark of "0" on the plagiarized/cheated assignment will stand. 	<p>Intentional Cheating and Plagiarizing</p> <ul style="list-style-type: none"> • If in the professional judgement of the teacher, in conjunction with the Principal and/or Vice-Principal, if it is found that the student intentionally cheated or plagiarized, the student will receive a mark of "0" for that assignment. • The Principal and/or Vice-Principal, in consultation with the classroom teacher, will determine if a rewrite of the cheated / plagiarized assignment will take place. • If a rewrite is allowed to occur, the student will conference with the classroom teacher, review the assignment, and receive a new topic that reflects expectations of the original assignment. When the rewritten assignment is evaluated, the new mark (with a suggested penalty deductions of up to 5% for Grades 7 and 8 students, 10% for Grades 9 and 10 students and 15% for Grades 11 and 12 students) will replace the "0" assigned to the cheated/plagiarized assignment. If the student decides not to rewrite the assignment, the assigned mark of "0" on the plagiarized/cheated assignment will stand.

COMMUNICATION

Communication of student progress to both the student and his/her parents is essential in ensuring academic success. One of the ways that this can be accomplished is through the use of regular Maplewood printouts which are supplied to the student at various dates throughout the semester. The printouts are to be brought home to parents. Teachers may request that the printouts be returned, signed by a parent so that the teacher is sure that parents, have received, and are aware of their child's academic progress.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

EXAMINATIONS

Examinations shall be 1.5 hours to 2 hours in length. In some courses, a final examination is not required and will be replaced by additional project(s), performance tasks, or a practical examination. Formal examinations will not be rescheduled to accommodate vacation or student work schedules. Cell phone use during examination periods will result in an automatic zero and will be confiscated and kept in the main office until a parent comes to retrieve the phone. A student who fails to appear at the assigned time without a medical certificate, or other reasons deemed acceptable by the Principal will be given a mark of zero.

If a student is found to have intentionally cheated and/or plagiarized on a Mid-Term Examination, Final Examination, or any other assignment that is part of the Final Culminating Task, the student will receive a mark of "0" on these evaluation assessments and there will be no opportunity for a rewrite.

School Administration will determine if there are any mitigating factors prior to issuing consequences that may include (but are not limited to):

- the individual circumstances of the student,
- the grade level of the student, and
- the maturity of the student.

REPORTING

Teachers will initiate contact with parents for a variety of academic/behavioural reasons. Parents should feel free to initiate contact the teacher at any point during the semester either via phone or email. Early Warning reports will be issued to students after the first 3 weeks of each semester to all Grade 9 students and also any Grade 10, 11 and 12 students who are at risk of failing a course.

MID-TERM AND FINAL REPORT CARDS

Mid-Term and Final Report Cards will be issued or mailed to students during each semester. Please refer to the Important Dates page for distribution information.

MARKBOOK REPORTS

Markbook reports will be issued to all students throughout each semester and will be sent home prior to midterm Parent-Teacher-Student Conferences held after 6 weeks of classes in each semester (see Important Dates page). Parents may also request Markbook reports at any time throughout the school year.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

LATE AND MISSED ASSIGNMENTS

The Ministry of Education addresses Late and Missed assignments when it states:

“It must be made clear to students early in the school year that they are responsible not only for their behaviour in the classroom and the school but also for providing evidence of their achievement of the overall expectations within the time frame specified by the teacher, and in a form approved by the teacher. Students must understand that there will be consequences for not completing assignments for evaluation or for submitting those assignments late. Where in the teacher’s professional judgement it is appropriate to do so, a number of strategies may be used to help prevent and/or address late and missed assignments.” (*Ministry of Education, 2010, p. 43*)

THE MEANING AND USE OF “I” – Grades 1 to10

“For Grades 1 to 10, the code “I” may be used in a mark book and/or on a student’s report card, including the final report card, to indicate that insufficient evidence is available to determine a letter grade or percentage mark. For the report card, teachers will use their professional judgement to determine when the use of “I” is appropriate and in the best interests of the student.

For example, teachers may find it appropriate to use “I” when evidence of a student’s achievement is insufficient because the student has enrolled in the school very recently or because there were issues or extenuating circumstances beyond the student’s control, such as protracted illness, that affected his or her attendance and/or ability to provide sufficient evidence of achievement of the overall expectations.

In Grades 9 and 10, a student who receives an “I” on the final report card to indicate insufficient evidence will not receive a credit for the course. However, there may be instances where students in Grades 9 and 10 who receive an “I” on their final report card may be considered for credit recovery. These are cases where, in the professional judgement of the teacher, evidence of achievement is available for at least a few overall expectations, on the basis of which it is possible to identify the remaining expectations that must be addressed and to design a credit recovery program.” (*Ministry of Education, 2010, p. 43*)

MARK DEDUCTION

Teachers and school administration are asked to consider the following statement from the Ministry of Education in regards to mark deduction:

“Ensure that mark deduction will not result in a percentage mark that, in the professional judgment of the teacher, misrepresents the student’s actual achievement.” (*Ministry of Education, 2010, p. 44*)

Therefore, once it has been clearly demonstrated that, the appropriate preventative strategies have been implemented, a teacher may, in consultation with the student, parent and/or school administration, deduct marks for the late/missed assignments.

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

Please note that the deduction of marks for late/missed assignments can only occur for assignments submitted for assessment and evaluation that will be used for reporting of student achievement in the determination of a student's final grade.

Grades 9 to 10

- Mark deduction will be limited to 2% per day to a maximum of 10% total deduction in the professional judgement of the teacher.
- If an assignment for evaluation has been evaluated and returned to the class, the student who has not submitted this assignment will receive a new topic reflecting the original assignment in consultation with the teacher.
- Until an assignment has been submitted, the code "I" or "0", whichever is appropriate in the professional judgement of the teacher, may be used in a mark book to indicate that an assignment is late or missed.
- If the student fails to submit the missed or late assignment one week prior to the end of the semester the teacher may, in consultation with the student, parent and school administration, deduct the full value of the assignment based on the teacher's professional judgement.

Grades 11 to 12

- Mark deduction will be limited to 3% per day to a maximum of 15% in the professional judgement of the teacher.
- If an assessment of learning piece has been evaluated and returned to the class, a student who has not submitted this assignment will receive a new topic reflecting the original assignment in consultation with the teacher.
- Until an assignment has been submitted, the code "I" or "0", whichever is appropriate in the professional judgement of the teacher, may be used in a mark book to indicate that an assignment is late or missed.
- If the student fails to submit the missed or late assignment one week prior to the end of the semester the teacher may, in consultation with the student, parent and school administration, deduct the full value of the assignment based on the teacher's professional judgement provided that a number of strategies have been used by the classroom teacher to prevent and/or address late and missed assignments.

LOWER LIMIT FOR GRADES 9 TO 12

The Ministry of Education makes the following statements:

- "For Grades 9 to 12, teachers will use percentage marks to indicate achievement below 50 per cent."
- Individual boards will work collaboratively with their school communities to determine the *lower limit* of the range of percentage marks below 50 per cent that teachers may record on the report cards of students in Grades 9 to 12. It is important that a consistent approach is adopted among all the schools of a board." (*Ministry of Education, 2010, p. 41*)
- A student that has not successfully achieved the Overall Expectations of a course will be deemed unsuccessful in the course and may be assigned a grade ranging from 30% to 45% in the professional judgement of the teacher.
- At no time shall a grade below 30% or from 46% to 49% appear on the Ontario Provincial Report Card (Mid-Term and Final Report Card).

ASSESSMENT, EVALUATION, AND ACADEMIC INTEGRITY

HOMEWORK

“Work that students do at home to practice skills, consolidates knowledge and skills, and/or prepare for the next class.”

ACCORDING TO *GROWING SUCCESS (MINISTRY OF EDUCATION, 2010)*

- “To ensure equity for all students, assignments for evaluation and tests or exams are to be completed, whenever possible, under the supervision of a teacher” (p. 39)
- “Assignments for evaluation must not include ongoing homework that students do in order to consolidate their knowledge and skills or to prepare for the next class” (p. 39)
- Examples of assignments for evaluation include such items as Science Fair projects, Heritage Fair, speeches, etc.
- “Homework tasks designed to help students practice and consolidate new learning can also provide assessment information that both teachers and students can use to adjust instruction and focus learning” (p. 34)

HOMEWORK AND ASSIGNMENTS DURING STATUTORY / BOARD HOLIDAYS OR PROFESSIONAL ACTIVITY DAYS

- Students will not be assigned homework for completion during Statutory / Board holidays or Professional Activity Days as per the Board’s school year calendar,
- Students will not be given an assignment for completion prior to Statutory / Board holidays or Professional Activity Days where it is expected that the assignment is to be submitted for evaluation within three (3) school days following Statutory / Board holidays or Professional Activity Days as per the Board’s school year calendar.

ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

The purpose of the Ontario Secondary School Literacy Test (OSSLT) is to ensure that students have acquired the essential reading and writing skills that apply to all subject areas in the provincial curriculum up to the end of Grade 9. All students who are working toward an Ontario Secondary School Diploma are required to write the OSSLT in Grade 10. Students who have been eligible to write the OSSLT at least twice and have been unsuccessful at least once are eligible to fulfill the requirement through the Ontario Secondary School Literacy Course (OSSLC). EQAO will be offering eligible students the opportunity to write the OSSLT online for the first time next school year. Though voluntary, this administration will count as a formal attempt to fulfill the literacy requirement. The on date to write the OSSLT online is October 20, 2016. The written OSSLT will take place on March 30, 2017

EQAO MATHEMATICS

The assessment evaluates knowledge and skills that the Ontario Curriculum expects students to have learned by the end of Grade 9. Some expectations cannot be appropriately assessed with the limits of a large-scale assessment and are therefore not included. The EQAO Mathematics Provincial Test will be administered at the end of both semesters.

In keeping with the mission, vision and values of the Niagara Catholic District School Board, the board recognizes the value of out of school experiences, encourages their use as a part of the total educational program for all students, and supports the participation of students and staff in worthwhile activities and programs off school premises.

While on educational field trips students are expected to conduct and behave themselves as if they were in school. Educational field trips are an extension of the school day and consequences may be assigned if behaviour is deemed inappropriate.

All education field trips shall be supervised by a teacher or any employee of the board, unless otherwise approved by the principal.

GYMNASIUM/WEIGHT ROOM USE

For the safety of our students, our school gymnasium is available for **supervised** physical activities only. This means that students, although encouraged to be physically active, may only use the gymnasiums with teacher/adult supervision. Students are reminded that appropriate clothing and footwear are required to participate in these areas.

NIAGARA CATHOLIC ALTERNATIVE LEARNING FRESH START PROGRAM – POPE FRANCIS CENTRE

Where a Principal suspends a student for six (6) or more days, the Principal will inform the student's parent/guardian and student or adult student about the Niagara Catholic Alternative Learning Fresh Start Program for suspended students. 2. The student is serving a limited expulsion with approval of the family of schools' superintendent of education, or the student's actions warrant the program as approved by the principal of the Pope Francis Centre or designate, the family of schools' Superintendent of Education and the Superintendent of Program.

- address the academic, behavioural and community supports of the student

- to support and sustain safe schools and learning
- provide programs containing strategies for building positive attitudes, for developing positive behaviours, for providing continuous learning and for successful re-integration into the school setting
- reduce future suspensions and expulsions

Students are financially responsible for lost or damaged textbooks assigned to them. Students who owe replacement fees are required to discharge this obligation at the end of each semester. This policy holds for team uniforms and equipment as well.

TRUANCY

What are the consequences of skipping classes, lateness, or not adhering to attendance policies?

Students will be assigned detentions or community service for violating attendance requirements. On subsequent truanies, parents will be notified that the student may be suspended for "persistent opposition to authority." In accordance with Ministry policy, a student will be withdrawn from school and/or class if the student is absent without a legitimate reason for 15 or more consecutive days.

IF A STUDENT MISSES A TEST OR ASSIGNMENT BECAUSE OF TRUANCY

The student may receive a mark of zero for the evaluation skipped. The student is responsible for all missed work resulting from the absence. Lateness, sleeping in or missing the bus are not acceptable reasons for missing school and will be subject to consequences.

CELLPHONES

Students may use cell phones in the classroom with the teacher's permission for educational purposes. If a student needs to contact a parent, the student is to come to the Attendance Office and make this call from the office phone. If a staff member observes an abuse of the cell phone policy, the staff member may confiscate the cell phone from the student. The cell phone will be given to the Vice Principal, to arrange the return of the phone. If a student refuses to surrender a cell phone, or if the student repeatedly abuses the cell phone, the student may be suspended for 'opposition to authority'.

COMPUTER USE

Every member of the Niagara Catholic District School Board has two basic rights regarding computer use - privacy and a fair share of resources. It is unethical for any person to violate these rights with the exception of personnel authorized by the school or school board who may, on occasion, have due cause to examine files (e.g. for system maintenance, or to investigate improper use). All users, in turn, are expected to exercise common sense and decency with regard to the school's computing resources.

Interfering with the privacy of others, using an unfair share of computer resources, using computer resources in an illegal act, or using computer resources to harass or threaten another will result in disciplinary action which can include:

• Loss of Computer Privileges	• Suspension	• Withdrawal from Class
• Loss of Credit	• Police Involvement	• Criminal Charges

ELECTRONIC COMMUNICATIONS SYSTEMS POLICY (STUDENTS) #301.5

Students are permitted to bring in personal electronic devices to be used in wireless enabled common areas throughout the school as approved by the administration and in classrooms where approved by the classroom teacher. This policy governs the acceptable use of personal electronic systems by students while at school. The uses of these devices are prohibited where they are deemed to interfere with student learning. Academic and administrative staff at the school and/or at the board level shall determine what, if any, use is interfering with learning.

SOCIAL MEDIA

Social media can encourage dialogue and it is important to be respectful. Electronic messages are not anonymous. They can be tracked, misdirected, manipulated and live forever on the Internet. Social media sites create and archive copies of every piece of content posted, even when deleted from online profiles. Once information is digitized, the author surrenders all control. The use of social media is not appropriate to address conflict.

WIFI ACCESS

- Staff & elementary students login with your regular username and password
- Secondary students: include the first 2 initials of your school followed by edu\your username e.g. Blessed Trinity = btedu\username, Saint Paul = spedu\username, Saint Michael = smedu\username.

TECHNOLOGY AND SOCIAL MEDIA

THE NINE ELEMENTS OF DIGITAL CITIZENSHIP [SOURCE: WIKIPEDIA]

1. DIGITAL ACCESS

This is perhaps one of the most fundamental blocks to being a digital citizen. However, due to socioeconomic status, location, and other disabilities- some individuals may not have digital access. Recently, schools have been becoming more connected with the internet, often offering computers, and other forms of access. This can be offered through kiosks, community centres, and open labs. This most often is associated with the digital divide and factors associated with such.

2. DIGITAL COMMERCE

This is the ability for users to recognize that much of the economy is regulated online. It also deals with the understanding of the dangers and benefits of online buying, using credit cards online, and so forth. As with the advantages and legal activities- there is also dangerous activities such as illegal downloads, gambling, drug deals, pornography, plagiarism, and so forth.

3. DIGITAL COMMUNICATION

This element deals with understanding the variety of online communication mediums such as email, instant messaging, Facebook messenger, the variety of apps, and so forth. There is a standard of etiquette associated with each medium.

4. DIGITAL LITERACY

This deals with the understanding of how to use various digital devices. For example, how to properly search for something on a search engine versus a database or how to use various online logs. Oftentimes many educational institutions will help form an individual's digital literacy.

5. DIGITAL ETIQUETTE

As discussed in the third element, digital communication, this is the expectation that various mediums require a variety of etiquette. Certain mediums demand more appropriate behavior and language than others.

6. DIGITAL LAW

This is where enforcement occurs for illegal downloads, plagiarizing, hacking, creating viruses, sending spams, identity theft, cyberbullying, and so forth.

7. DIGITAL RIGHTS AND RESPONSIBILITIES

This is the set of rights digital citizens have such as privacy, speech, and so forth.

8. DIGITAL HEALTH

Digital citizens must be aware of the physical stress placed on their bodies by internet usage. They must be aware to not become overly dependent on the internet causing eye strain, headaches, stress problems, and so on.

9. DIGITAL SECURITY

This simply means that citizens must take measures to be safe by practicing using difficult passwords, virus protection, backing up data, and so forth.

ACCESS TO SCHOOL PREMISES

ACCESS TO SCHOOL PREMISES POLICY #302.6.3

The education act also limits access to school premises. The following persons are permitted access at any time during normal operating hours:

- student enrolled in the school
- parent or guardian of such student
- person employed or retained by the board
- person on premises for lawful purposes

These rights to access do not entitle the person to have access to all areas of the school.

The principal may allow the following persons under the appropriate conditions:

- person invited to attend event, class or meeting
- person invited by principal, vice principal or someone else authorized by the board policy to be in school for a specific purpose

The following may never enter or remain on school premises:

- anyone whose presence, in the principal's judgment, is detrimental to the safety or well-being of a person on the premises
- any person who fails to report their presence in a specified manner

The principal of a school may direct a person to leave the school premises if the principal believes that the person is prohibited by regulation or under a board policy from being there.

GUESTS/VISITORS

Niagara Catholic District School Board Secondary Schools welcomes all visitors to the school who enhance the rich experience of learning. All visitors, adults or students, must be approved by the school's administration prior to the visit. All visitors must report directly to the Main Office to be "**signed in.**"

Students or guests from other schools are not allowed anywhere on school property during the school day unless they have the permission of Administration. The behaviour of the visiting student remains the responsibility of the student host and the consequences for any inappropriate behaviour are applicable to the student host. All students or guests found on school property during the day, lunch or after school, who have not registered at the Main Office can be charged under the Trespass to Property Act.

STUDENT ATTENDANCE

AGE OF MAJORITY

Before students can attain age of majority status, they, along with their parents, may be asked to complete an **Age of Majority Application** and submit it to their Vice Principal. Once approved, students 18 years of age or older are permitted to sign notes explaining their absences, lates and dismissals. All absences from school, like non-age of majority students, must be in accordance with acceptable reasons for missing school. The school reserves the right to inform parents when notes are unacceptable or when infractions against the Code of Conduct occur. Students who are of age of majority are directly responsible to the Administration for their performance of all duties and responsibilities of a student, similar to the employer – employee relationship in the world of work.

ATTENDANCE

Except in cases of emergency, students should only be absent from class when they are too ill to attend: “a child is excused from attendance at school if the child is unable to attend school by reason of sickness or other unavoidable cause.” (Education Act, Section 21).

When a parent requests that the child be excused from school, the Principal will make the final decision to excuse the student: “A pupil may be excused by the Principal from attendance at school temporarily at any time at the written request of a parent of the pupil or the pupil where the pupil is an adult.” (Reg. 298.23.(3)). Medical notes will be required if absences become excessive. The Attendance Policy will be initiated at 15 absences.

Students who participate in organized absences such as “Beach days” are truant from school and will be assigned appropriate consequences.

IF A PARENT KEEPS THE STUDENT HOME BECAUSE OF ILLNESS OR MEDICAL APPOINTMENT

Parents must contact the Safe Arrival system if your child is going to be absent from school for any reason. The absence must be reported by calling 1-844-287-6287 or visiting nc.schoolconnects.com.

“When a pupil returns to school after an absence, a parent of the pupil, or the pupil where the pupil is an adult, shall give the reason for the absence orally or in writing as the principal requires.” (Reg. 298.23.(2))

IF A STUDENT HAS TO LEAVE SCHOOL DURING THEIR SCHEDULED CLASSES

The student must “**sign out**” at the Attendance Office. The student must have parental permission in the form of a note or a phone call received at the Attendance Office before the student leaves the premises. Reasons for signing out must be deemed legitimate by administration. Age of majority students receive approval from administration prior to signing out. Students are asked to schedule appointments after 2:30 p.m. when possible.

WHEN A STUDENT RETURNS TO SCHOOL AFTER MISSING CLASS TIME

Students must always “**sign in**” at the Attendance Office to be admitted to classes. Reasons for “**signing in**” must be deemed legitimate by the Principal or Vice Principal.

STUDENT ATTENDANCE

LATES

Students are expected to be on time for school and all classes.

PERIOD 1

Students arriving before 8:30 a.m. should proceed directly to class and be dealt with by the classroom teacher. Students arriving to school any time after 8:30 a.m. should come to the attendance office for an admit slip to present to their teacher upon arrival.

AFTER PERIOD 1 AND BEYOND

Students, who attended an earlier period within the day, who arrive within the first 30 minutes should proceed directly to class and be dealt with by the classroom teacher.

Students arriving later than 30 minutes should arrive with an admit slip.

Students are considered to be late if they arrive to period one after the opening exercises have begun or arrive at any other scheduled class after the second bell for that class period. Students must report directly to their class; **NOT** to the Attendance Office.

- On the **first and second late** to class, the teacher assigns a consequence for the student (e.g. detention, assignment).
- On the **third late** to class, the teacher assigns a consequence for the student and parental contact is made.
- On the **fourth and subsequent lates** to class the teacher refers the student to the Vice Principal. Lunch and/or after-school detentions will be assigned. If the problem becomes persistent the student may be suspended or alternative consequences applied.

IF A STUDENT HAS EXCESSIVE ABSENCES

Students who miss a significant number of classes will be required to provide a medical note. Students are expected to cover to the best of his/her ability, the material that would normally be covered in class during any period of the absence. Chronic absenteeism will result in progressive discipline and may be referred to the Stay in School Coordinator.

EXTENDED ABSENCE

If a parent wishes to request that a student be absent from school for an extended period of time, for example for holiday travel, the parent must make this request in writing to the Principal well in advance of the departure date.

The student must pick up a "Vacation/Extended Absence" form from the Attendance Office or Vice Principal and return the form signed by the parents and each of his or her teachers. If a "Vacation/Extended Absence" form is not used at the school, then any vacation or extended absence must be cleared with Administration.

The Principal may, under the powers of the Education Act, deny a request for extended absence. Extended absence will not be approved if it interferes with the student's presence for scheduled final examinations.

If an extended absence is granted, the student must meet all curriculum expectations set out as conditions for the absence.

STUDENT ATTENDANCE

LOCKERS

Lockers and school-approved locks are assigned to each student, and remain the property of the school and school board. Students are **NOT permitted to change locker assignments without the approval of the administration.** Students are requested to protect their property by keeping the locker locked when not in use. Students are cautioned not to give the combination of their lock to another student. Students are not to post lewd or offensive materials inside their lockers and are not to deface or write on or in their lockers. Administration may open a locker for inspection with or without the permission of the student at any time. A student using an unassigned locker or lock other than a school assigned lock will have the lock cut off, the contents removed and will be called to the office. Any requests for another lock or lost lock will require the student to pay for a replacement.

PART-TIME JOB

WE recognize the importance and benefits of part-time employment; however, students who work too many hours usually suffer in the evaluation process. We strongly encourage students to limit their part-time hours during the school semester. The demands of a job must not interfere with the demands of the school and students should not expect to leave school to attend work. Such absences are considered trancies.

SPARE PERIODS

Students on spare periods must be in full uniform and are expected to be in either the cafeteria, the Information Centre, or may leave school grounds. Students are not to wander about the halls, stairwells or foyer and are to be in full uniform at all times. Only senior students who have earned 24 credits are allowed to have a spare period on their timetables. Only students on spare are permitted to purchase items from the cafeteria staff during the spare period. Students are expected to use their spare to advance their academic program. This time should be used profitably towards completing or enriching school curriculum.

WITHDRAWAL FROM SCHOOL

Withdrawing from school involves the following steps:

- Interview with Program Chair of Student Services
- Interview with the Principal/Vice Principal
- Completion of " Student Withdrawal Form" with the following signatures: parents, subject teacher(s), guidance counselor, librarian principal/vice principal
- Return of all textbooks, equipment and/or payment of debts incurred throughout their time at Niagara Catholic District School Board Secondary Schools

GENERAL INFORMATION

Activities held off the school premises in hotels or rented halls DO NOT have the approval or sanction of the school or the Niagara Catholic District School Board. It is illegal to advertise such activities on school property. Students found placing advertisements on school property may be subject to disciplinary circumstances. Any student who wants to post an advertisement/flyer must have prior permission from the Principal or Vice-principal.

BACKPACKS/GYM BAGS

Students are not to bring backpacks or any bags into the classroom, cafeteria or library. This is a Health and Safety concern. Students are to store their “bags” in their lockers upon arrival at school, and leave them in their lockers until the end of the school day. Students will be permitted to carry a small pencil-case sized carrier for personal hygiene or medical needs.

BOTTLED WATER POLICY #701.5

Effective September 1, 2013, the sale or distribution of single use bottled water, and or commercially bottled single use plastic water containers shall be eliminated at all Board sites, Catholic Education Centre, Elementary and Secondary Schools, Adult and Continuing Education sites and other work sites in the Board.

No drinks are allowed in the classrooms. Schools have hydrations stations. Students may drink water with approved water bottles. All types of “*Energy Drinks*” are prohibited such as but not limited to Monster, Red Bull, Red Rain etc.

BUSES

The school bus is an extension of the school and classroom. Bus transportation is available to students who live more than 2.5 km from the school. Every student who qualifies for transportation by contracted buses is required to respect the same regulations and policies that apply within the school building. This applies to bus transportation to and from school, on school trips or to and from sporting events.

All misbehaviour will be reported to the Vice-Principal.

Late bus transportation is provided at varying departure times throughout the year only for students who are involved in some form of co-curricular activities, get extra help after school (P3) or have served a detention. All other students should take their bus home at the regular time. Students may not be added to a bus or switch buses for social or recreational reasons or for personal appointments.

BUS TICKETS

Students who choose to use Public Transit are responsible for the purchase of transit bus tickets.

GENERAL INFORMATION

CAFETERIA/LUNCH

Food and drink must remain in the cafeteria. Students are not to take food to other areas of the school to eat during their lunch period or bring food into classrooms. Knapsacks or large bags are not permitted in the cafeteria or servery. Students are not to be loitering in the hallways during lunch hours as classes are in progress. Students are expected to conduct themselves appropriately. They must clear their tables and follow the instructions of the cafeteria supervisors. Coats and jackets are NOT to be worn in the cafeteria and correct foot wear is to be worn at all times. Students are prohibited from being in hallways during their lunch times but will be allowed to return to their lockers 5 minutes before the end of the period.

CATHOLIC SCHOOL COUNCIL POLICY #800.1

Catholic School Council is an active, advisory partnership, whose focus includes promoting and supporting the vision of our school. Administration, staff, students, community and parent members ensure a varied and complimentary voice which strives to reflect the ideals of the school community. We extend to all new and returning parents an invitation to participate in our monthly meetings.

DANCES

The Provincial Code of Behaviour and the Catholic Code of Behaviour apply fully at all school activities including dances. All consequences described in the codes of behaviour apply as well as the possibility of losing the privilege of attending school dances.

Admission is open to all students in good standing, who were in attendance of school on the day of the dance.

The following policies also apply to dances:

- The Principal and the supervising teachers may refuse admission to any person
- Students will be screened on entry and any student not cooperating with this safety measure will be refused admission
- The Principal or Vice Principal may remove any person from the dance and contact parents to pick up their child from school property
- Food or drink of any kind is not to be taken into the dance
- Anyone whose actions and/or language clearly indicates that he/she is under the influence of any drug or intoxicant will be refused admission or removed from the dance – zero tolerance
- No drinking/consumption of alcohol, of any amount or smoking on school property is permissible
- Once a student has exited the dance they will not be allowed back in
- All outside coats and jackets must be checked since students will not have access to their lockers
- Students are expected to dance in a respectable manner. Dancing that is inappropriate, overtly provocative in nature, or creates unsafe conditions is not allowed. School officials reserve the right to make decisions on suitable dancing and individuals who engage in the above-mentioned behaviors will be removed from the dance, parents/guardians will be notified, and additional consequences will result
- The school “out of uniform” dress code policy is in effect at all school dances. Administration reserves the right to make decisions on student dress based on appropriateness.

GENERAL INFORMATION

D. E. A. R.

Literacy is directly related to post-secondary success. Children who are stimulated through reading at a younger age, and who continue to read as they mature, are more successful in post-secondary life. The D. E. A. R. program asks everyone in the school to "drop everything and read". In doing so the school is sending a clear message that time spent reading recreationally and academically can only improve their opportunities for success. Students should bring appropriate reading materials such as novels, magazines, newspapers, and research books.

ELEVATOR

An elevator is available for students who are physically unable to use the stairs, either for a short-term situation (e.g. leg injury) or on a regular basis. A student who needs to use the elevator on a regular basis will be issued a card by the vice-principal. For those students who need use of the elevator on a temporary basis, arrangements are to be made with a secretary in the main office.

HALLWAY CONDUCT

Students must practice common courtesy while moving in the hallways and stairways. Loitering by lockers, washrooms and doorways must be avoided at all times. Proper language and a normal conversational level of voice are to be used at all times. Everyone is responsible for maintaining the cleanliness of the hallways. Proper decorum and behaviour are to be observed at all times.

Public displays of affection are not permitted in the school. Students engaging in physical signs of affection will be reminded that this type of public behaviour is inappropriate and unacceptable in a Catholic high school.

INSURANCE

Student Accident and Life Insurance is made available on the first day of school. Students participating in co-curricular activities are especially encouraged to avail themselves of this service.

LIBRARY INFORMATION CENTRE

The Information Centre exists to serve the needs of all. The Information Centre offers access to a variety of print and electronic resources such as periodicals, magazines, journals, reference texts, and the internet. Use of the internet is to be dedicated to educational research and is to be used responsibly. Also, a variety of software programs are available for use on network computers. Photocopy and printing services are available for a nominal fee.

Overdue materials are subjected to a fine per day. Students will be responsible for the replacement cost of lost or damaged items. It is expected that student department in the Library Information Centre will be conducive to an atmosphere of study. The Library Information Centre exists as a resource for the benefit of the entire school and any behaviour deemed detrimental to such a goal can result in the suspension of student privileges.

GENERAL INFORMATION

MESSAGES

Messages from parents will be conveyed to students at the end of the school day or at lunch, not during class. Emergencies, however, will always be dealt with promptly. We ask that parents do not contact students on cell phones during class hours.

OPENING EXERCISES

Each day will begin with opening exercises which include the playing of O Canada and Morning Prayer. Students in the halls during opening exercises are considered to be late.

STUDENT DROP-OFF / PICK-UP

We understand that not every student is bussed or walks to school and at intervals during the school year a student may need to be picked-up or dropped-off at school. Parents are asked to respect the traffic route established by entering our appropriate area for student drop-off/pick-up. This may be a one-way traffic route. At no time are vehicles to be parked in this zone as this represents a potential safety, emergency access, and congestion issue.

STUDENT PARKING

The school supplies bussing for student transportation and cannot provide sufficient parking for students who decide to drive to school. Unauthorized parking may result in the vehicle being towed away at the student's expense. Drivers are asked to keep their vehicles locked. We cannot assume responsibility for losses or damages. Students are not to sit in their vehicles during the school day or play music from their car radios. No smoking is permitted in vehicles at any time. Drivers should abide strictly by all traffic regulations. The speed limit in the parking lot is 10 km per hour. Parking privileges can be revoked at any time. Students who violate these guidelines will be prohibited from driving to school. The school reserves the right to search student vehicles, parked on school property, if needed. Some schools may require that the vehicle is registered with the Main Office.

SYNREVOICE

Periodically, schools will send a synrevoice message with important information pertaining to your school. Any issues or concerns regarding synrevoice messages, please contact Administration.

STUDENT SERVICES

ACTIVITY FEES

Registration fees are collected from students to cover the cost of yearbooks, student handbooks, lock replacement, student card some student activities, clubs, teams, and special events.

COMMUNITY AGENCIES/SERVICES

There are a variety of times when you, or someone close to you, may need help. During these times, in addition to parents/guardians and staff at the school, help is available from a variety of sources. In dealing with the issues, it is important that you are honest with the person you seek help from and inform them of all the facts. If someone you know is struggling, you have a moral responsibility to try to help them. If you are unable to provide help, inform someone who may be able to. Please refer to the Niagara Mental Health Programs and Services Directory section to obtain further information.

FRESH START PROGRAM – POPE FRANCIS CENTRE

The Fresh Start Program is designed as both an intervention and prevention program for students while serving a suspension or limited expulsion. The program is taught by a certified teacher. The program strives to address the academic and behavioral needs of the student. Fresh Start provides programs containing strategies for building positive attitudes, for providing continuous learning and for successful re-integration back into the school setting.

GUIDANCE

The guidance program at our school is a vital and integral part of the total school curriculum. It is a composite of the school's instructional, counselling, consulting, coordinating and liaison activities that are designed and implemented to assist student orientation, program choices and preparation for the next level of education or entry into the world of work. Thus, the provision and maintenance of an effective guidance program is essential to personal, educational, and career planning activities for all students.

Students are counselled individually to review course selections, progress, educational and career plans. Group presentations may also take place throughout the school year regarding careers, post-secondary school planning, course selections and educational needs assessment. Individual counselling regarding personal and social concerns is provided when a need arises.

JUMP START PROGRAM – POPE FRANCIS CENTRE

Jump Start is part of NCDSB's "start series" of alternative programs located at our Pope Francis Centre in Welland. The focus of the program is to provide those students who are experiencing chronic attendance issues an opportunity to attend school on an interim basis. The program is taught by certified teacher. The key objective is to provide students with the academic, social and behavioral skills to change negative patterns of attendance.

STUDENT SERVICES

P3 PATHWAYS PREPARATION PROGRAM

Niagara Catholic District School Board secondary school's offers P3 as an after-school program to address the curricular needs of students in Grades 9-12. P3 allows students the opportunity to practice their literacy and numeracy skills, develop test-taking strategies, upgrade study skills, and receive direction on potential pathways from a teacher-mentor. The program also provides support to students wishing to improve their current academic standing.

PEER TUTORING PROGRAM

Peer tutoring is a school run program that pairs academically struggling students with a student of expertise in a particular subject area. The peer tutoring assistance is generally conducted out of the P3 program.

SCHEDULE CHANGES

Our students are expected to attend school on a full-time basis. Students with fewer than 24 credits are not permitted to drop a course or to have a study period. Students will not be allowed to change their level of difficulty in a course unless there is a recommendation from their subject teacher, parental approval and room in the class(es) requested.

SPECIAL EDUCATION

Special education programs at Niagara Catholic District School Board Secondary Schools are designed to ensure universal access by exceptional pupils and accommodations of individual differences to the greatest extent possible. The needs of each individual exceptional pupil, whether behavioural, communicational, intellectual (including gifted), or physical, as delineated by an Identification, Placement and Review Committee (IPRC) of the Board will be met.

Communication involving parents, resource persons, community agencies or others may occur in order to best determine each student's needs and alterations in programming. The program will be regularly assessed and evaluated with the results communicated to parents.

SUMMER SCHOOL

Students may register for remedial summer school courses with the permission of the Principal. Students are eligible to ask for this permission if they have attended 80% of the scheduled classes, attained a mark of at least 40%, and have written the final exam. Upgrades must be attempted at the same level as the original course taken.

TUTORS IN THE CLASSROOM PROGRAM

Through the NCDSB two prospective educators currently enrolled in a faculty of education program are made available to support classroom teachers and students in the areas of literacy and numeracy. The Tutors in the Classroom Program is conducted over both semesters.

EMERGENCY AND MEDICAL INFORMATION

ACCIDENTS

A student who is injured should be brought to the Main Office, if possible. In all cases, the Main Office must be notified and proper action taken. Under no circumstances should a student who has injured his/her back or neck be moved.

ADMINISTRATION OF ORAL MEDICATION TO STUDENTS UNDER THE AGE OF 18 POLICY #302.2

In accordance with the Ministry of Education Policy/Program Memorandum No. 81 Provision of Health Support Services in School Settings, all school boards will be responsible for the administration of oral medication where such medication has been prescribed during school hours.

- That such procedure be applied only to those services, requested by the parent and prescribed by a physician or other health care professional, which must be provided during school hours.
- That a request for the service and the authorization to provide such service be made in writing by the parent and the physician, specifying the medication, the dosage, the frequency and method of administration, the dates for which the authorization applies, and the possible side effects, if any.
- That the storage and safekeeping requirements for any labeled medication be stated. That a record of administration be maintained which includes the pupil's name, date, time of provision, dosage given, name of person administering, and etc.
- That the telephone numbers of the parent and physician be readily accessible in the school.
- That the medication be administered in a manner which allows for sensitivity and privacy and which encourages the pupil to take an appropriate level of responsibility for his or her medication.

(Source: Ministry of Education Policy/Program Memorandum No. 81)

ANAPHYLAXIS POLICY #302.1

Anaphylaxis is a severe life threatening form of allergic reaction to peanuts, other nuts, milk, wheat, latex products, and medications, as well as insect stings from bees and wasps. The principal of the school should be informed in writing by a parent that a child suffers from anaphylaxis, the expected symptoms and the requested intervention by school staff. An EpiPen is to be provided to the school to be kept in the office in case of an emergency.

ASTHMA POLICY #302.9

According to the Ontario Lung Association (www.on.lung.ca), asthma is very common chronic (long-term) lung disease making it difficult for a person to breathe. Persons with asthma have sensitive airways that react to triggers including but not limited to air quality, allergies, cold/flu, physical activities, and pollen. When the airways react to a trigger, they become narrow due to swelling and squeezing of the airways resulting in less air getting through to the lungs and less air getting out. Employees of the Board may be preauthorized to administer medication or supervise a student while the student takes medication in response to an asthma exacerbation with the consent of the parent/guardian or student. If an employee of the Board has reason to believe that a student is experiencing an asthma exacerbation, the employee may administer asthma medication even if there is no authorization.

EMERGENCY AND MEDICAL INFORMATION

CONCUSSION POLICY #800.1

The Niagara Catholic District School Board recognizes concussions as a serious injury which requires appropriate follow-up measures to reduce risk of potential additional injury. Concussion awareness, prevention, identification and management are a priority for the Board. The implementation of the Board's Concussion Policy and Administrative Guidelines is another important step in creating healthier schools in the Niagara Catholic District School Board. Immediate action must be taken by the individual (e.g. principal, teacher, coach) responsible for the student if the student receives a blow to the head, face or neck, or a blow to the body that transmits a force to the head. If in doubt, sit the student out and proceed with protocol.

DIABETES MANAGEMENT POLICY - 302.8

The Niagara Catholic District School Board is committed to the safety and well-being of all students and supports schools in establishing an environment that provides an appropriate management of and response to the needs of students identified with diabetes. The ultimate responsibility for diabetes management rests with the parent(s)/guardian(s), the student and the medical practitioner. The policy outlines the procedures in developing a student diabetes management plan, including roles and responsibilities of school staff, parent(s)/guardian(s) and students and supporting documentation.

EMERGENCY PROCEDURES

LOCK DOWN

At various times throughout the school year Niagara Catholic District School Board Secondary Schools will test our emergency procedures by conducting Lock Down Drills. A school call out or letter will inform parents when these drills will occur. A lock down is a drill simulating a threat inside the building.

HOLD AND SECURE

Niagara Catholic District School Board Secondary Schools will also run random Hold and Secure drills. This drill is performed when a threat exists outside of the school and all members of our school community are kept indoors.

FIRE

It is critical that everyone treats all fire alarms seriously and moves as quickly and orderly as possible to vacate the building immediately when an alarm sounds. Fire drills will be held regularly during the school year. Wilful false alarms are a criminal offence, and are punishable by a fine, a jail term or both. The Fire Department will prosecute offenders to the full extent of the law.

IF YOU HEAR THE FIRE ALARM

- Leave the building using the closest exit, or the exit route specified for the classroom and close doors
- If you encounter smoke in an exit, use an alternate exit
- Follow the directions of staff members
- Report to your teacher in the designated area and remain in that area until instructed to return to the building

EMERGENCY AND MEDICAL INFORMATION

MEDICATION

Students who must bring medications to school must follow the Board's Oral Medication Policy. The *Oral Medication Policy* refers to all types of medication. (i.e. inhalers, pills, liquids, etc.) Failure to adhere to this policy may result in the student being sent home until the proper procedure is followed.

SCHOOL NURSE

Our school nurse is available to see students. Check with the main office to see when he/she is scheduled to come in.
